Welcome!

Digital Parenting

Keeping our children safe online

Mrs L. Barnard - Year 5 teacher and Computing Co-ordinator

The Internet is an amazing place!
• It's full of interesting information
• It's a great way to communicate with others
• It's a great way to learn
• It's a great way to have fun

CEOP
• CEOP is a UK-based charity that works to protect children from sexual exploitation and grooming online.
• CEOP is a UK-based charity that works to protect children from sexual exploitation and grooming online.
• CEOP is a UK-based charity that works to protect children from sexual exploitation and grooming online.

We need to teach our children how to be safe online
There's help out there! CEOP videos on YouTube, our Curriculum...

Don't children use social media outside of school? School can't see it!
• Tell your child about the risks of using social media
• Tell your child about the risks of using social media
• Tell your child about the risks of using social media

Basic rules:
1. Think carefully of your online friends
2. Be careful of what you share
3. Think about how you behave online
4. Block and report cyberbullying
5. Protect your password
6. Check the rules of the game

Welcome!

Digital Parenting

Keeping our children safe online

Mrs L. Barnard - Year 5 teacher and Computing Co-ordinator

The internet is an amazing place!

We can find information at the click of a button.

We can connect with our friends and family who live far away.

We can share ideas freely.

We can communicate with who we want, when we want.

We can be whoever we want to be...

We need to teach our children how to be safe online

There's help out there! CEOP videos on YouTube, our Curriculum...

Our children are most at risk outside of school... What can you do?

Talk to your children about the risks and how to stay safe.

Work with them, take an interest and listen to them... Don't just pull the plug on their online devices straight away!

Basic rules:

1. Think critically of your online friends
2. Be a positive Digital Citizen
3. Think about the information you share
4. Block and report cyberbullies
5. Protect your password
6. Open door policy at home

We need to teach our children how to be safe online
There's help out there! CEOP videos on YouTube, our Curriculum...

Don't children use mobile phones at school?
• Yes, they do. But we need to make sure they are safe.
• We need to make sure they are safe.
• We need to make sure they are safe.

Basic rules:
1. Think carefully about what you post online
2. Be careful about what you click on
3. Think about how you behave online
4. Be careful about what you say
5. Check who you are talking to

Welcome!
