

# STIBBINGTON 2023 KIT LIST

All kit should be clearly labelled with the owner's name and should be packed into one suitcase, rucksack or holdall. If the sleeping bag will not fit into the luggage it should be tied into a small bundle and put into a labelled bin liner or similar.

## FINANCE

The total cost for the visit will be between **£115-130** (we need to know final numbers before we get a final price.)

Payment can be made in full or in weekly/monthly installments. We suggest a plan such as below to give parents a Christmas payment break:

**September - £10 deposit (due 23/9/22)**  
**End of October - £20**  
**End of November - £20**  
**December - Break for Christmas**  
**End of January - £15**  
**End of February - £15**  
**End of March - £15**  
**End of April - £15**  
**May - Remaining balance (depending on total number of children attending - final totals to be confirmed in October - due 26th May 2023)**

The full balance will need to be paid off by 26th May 2023. The £10 deposit needs to be paid on ParentPay by 23rd September 2022 to confirm your child's space. Spaces are reserved on a first come first served basis and the deposits are non-refundable unless A) we have a waiting list or B) your child leaves the school.

Those who are eligible for Pupil Premium funding receive 10% off the total price of the trip.

If you have any financial concerns please contact the school office on 01733 562873.

Under the umbrella of Cambridgeshire Outdoors, CEES works with other providers to encourage and enhance high quality learning outside the classroom.

Developing skills **THROUGH** the environment

Offering first-hand experience **IN** the environment

CEES aims to bring learning to life by working with schools to:

- Improve knowledge and understanding about the environment
- Offer first hand experience in the environment
- Develop skills through the environment
- Encourage informed concern and action for the environment and for sustainable lifestyles.

### **Eco Centre, Healthy Centre, Growing Centre**

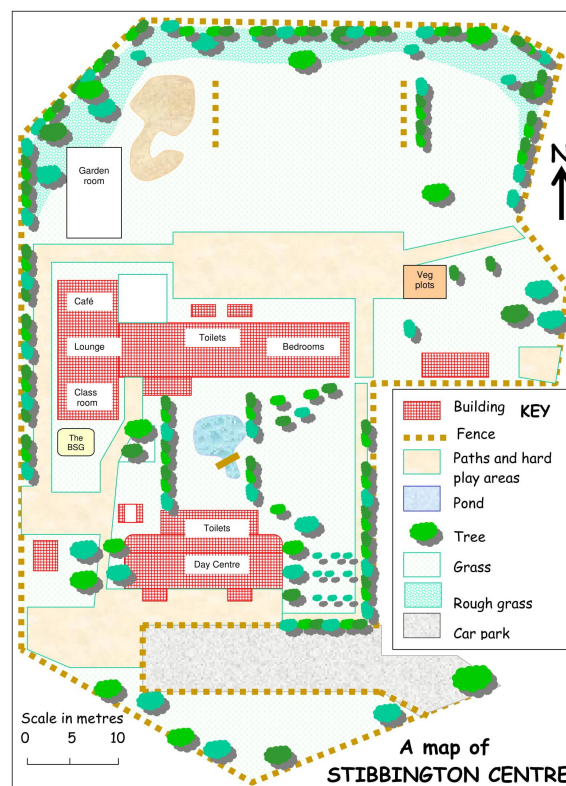

Stibbington Centre prides itself on constantly seeking ways to reduce its impact on the local and global environment and encourage healthy and sustainable lifestyles.

All residential visitors to the Centre have an opportunity to learn and benefit from resources and initiatives, which include for example: solar and wind power technologies; waste recycling and composting; wildlife conservation, healthy eating menus, local, sustainably sourced foods, vegetable growing plots and much more.

An Eco Pledge made at the end of their stay encourages children to remember what they've learned.

Stibbington Centre is part of **Cambridgeshire Environmental Education Service (CEES)**, which is a service provided for schools by Cambridgeshire County Council.

The Centre offers the opportunity for pupils to sample a residential experience for a few days in a friendly, hospitable environment, not far from home. The courses offered at the Centre are designed to support the National Curriculum, with a particular emphasis on Science, Geography and History, together with Education for Sustainable Development.

The Centre is located in the North West corner of Cambridgeshire, beside the A1 near Wansford. It is 10 miles west of Peterborough.
